

Student Self-Reflection

Name: _____

Date: _____

Student Grade: _____ Current Grade: _____

On a scale of 1-10 rate your on-task behavior in this class (10 being on-task all the time and 1 being off-task all the time).

1 2 3 4 5 6 7 8 9 10

We are now in the 2nd quarter of the school year. Please take a few minutes to reflect on your grades and behavior in this class. Keep in mind the following questions: Do you participate in class discussions and reading? Do you turn in all assignments completed and on-time? Do you pay attention? Are you respectful to your teachers and fellow classmates? Are you putting forth your best effort? Write 5-7 sentences about your progress in this class so far this school year.

Now that you have taken time to reflect on your progress in this class, please write how you plan to improve your grade and behavior moving forward. Keep in mind that there is always room for improvement.
