

Name _____ Per _____ Date _____

-Mr. Kenealy's Class
ASL

Objective today: Analyze the importance of your name.

What does this mean? - Understand what my name says about me.

Bell Ringer - Answer the questions below.

1. Body language says a lot about a person. What body postures can you think of that show both positive and negative communication?

2. Dogs hear so much better than we do. So in a sense, we are a deaf to a lot of noise in this world. What sounds do you think dogs can hear that we can't? What sounds do you wish you could hear?

Agenda

1. Bell Ringer - Above
2. Say My Name Activity
3. Discuss

Exit Ticket - How comfortable do you feel with the alphabet so far?

Say My Name Activity

Now that you reviewed the alphabet, you are going to practice signing your name. Below, you will write how comfortable you feel with the exercise. Did you learn all the letters? What ones are still tripping you up?
