Hi Mr. Kenealy,

It's a pleasure to meet you. And yes let's make this the best school year ever.

Thank you,
Cynthia Ferdinand

Dear Parents and Guardians,

I am excited that we have yet another school year upon us! I hope you enjoyed your summer as I have, and I am eager to start my ninth year teaching English at Crete-Monee. As part of my goal to be more transparent this year, I invite you all to be part of our Google Classroom page and will do my best to periodically post updates on what we are working on in class. Please let me know if you have any questions about your student. We all want what's best and to make this school year great. Thank you for all you do!

Please login to our Google Classroom page. You will see our assignments and notifications for what we are doing in class there! Lessons will start being posted as the week progresses.
